

LET'S MAKE ART WITH ARTS ROLLA

EARLY STAGE SOCIAL ENGAGEMENT PROGRAM

Arts Rolla has partnered with the Alzheimer's Association to host an early stage social engagement program that focuses on the creation of art for people diagnosed in the early stages of Alzheimer's and their caregivers.

Art can enrich the lives of people with Alzheimer's disease and encourages self-expression and engagement, even after dementia has progressed. Art projects can also create a sense of accomplishment and purpose for the person with dementia as well as caregivers.
